SATURDAY, FEBRUARY THE 20TH

For one week, Bistro Bordeaux will transform the dining room with over 200 suspended glass-encased votives flickering above the dining tables.

This unique event will feature rare Champagnes from Veuve Clicquot such as a vintage 1988.

Executive chef Frank Mnuk will pair these exceptional Champagnes with a menu for two, in addition to the full regular menu.

"Come quickly, I am tasting stars" said the French monk Dom Perignon, creator of the first vintage Champagne in 1842, upon his first sip.
